

# **ANARE Ski Lodge is a Non-Smoking establishment.**

## **Upon Arrival.**

Power, gas and water should be turned on. Enter through the rear door using the keycode provided by the resort Guest Services staff.

## **Entry.**

To keep the lodge clean and dry avoid snow, mud and water being brought into the lodge by leaving boots and shoes downstairs. Slippers or socks should be worn indoors.

## **Security.**

When leaving the lodge during your stay ensure that the doors are locked. Remembering the combination code for the door lock for getting back in.

## **Covid 19.**

- Hand sanitiser is provided at front and rear entry.
- Regularly wash hands.
- Hand wash eating and cooking utensils in hot soapy water.
- Regularly clean touch surfaces – wash then sanitise.

## **Food storage, cleaning, and supplies.**

- Sealed food storage containers are provided in cupboards.
- As well as the fridge and freezer, eskys can be placed outside on the landing in winter to keep cool.
- Tea towels and kitchen hand towel are provided for guests.
- Dish washing detergent and dish cloths are in the cupboard under the sink. Spare cleaning material, toilet paper, bin liner bags etc. are in a cupboard labelled 'cleaning equipment' in the kitchen.
- A cleaning caddy is provided at the foot of the stairs.
- Brooms and brushes are located on the middle and lower floors. A vacuum cleaner is in the central cupboard at the top level.
- Pots and pans, cutlery and crockery are provided in the cupboards.
- 2 gas stoves with ovens and a microwave oven are available as are electric jugs and toasters.

**See separate operating instructions for appliances.**
